

- Ottawa University (OU) will accept up to 80 hours of JCCC credit toward a bachelor’s degree as outlined in the Transfer Advantage agreement. This program reduces the cost per credit hour to \$350 for Associate degree graduates.
- In order to graduate from OU, a student must have 120 semester credits, 42 of which must be upper-division, and a minimum of 30 credits must be taken at OU.
- In order to graduate from OU, each student is required to complete at least 28 credits in the major, of which 12 credits must be upper-division courses from OU. Additionally, to graduate, students must complete eight credits in the Liberal Arts Core; six credits in each of the four breadth areas (see II below); and UNV 30001 Academic Success and Personal Significance.
- Credits taken as Activity and/or Skill building courses (i.e. typing, tennis, band, HVAC, etc.) will transfer as electives with a limit of four credit hours being accepted per activity.
- This transfer guide is applicable to Ottawa University Adult, Professional and Graduate programs only and is invalid if the requirements for this major and/or Bachelor’s degree are revised.

**The following table indicates how courses commonly taken toward JCCC Associate degrees transfer into General Education Breadth Areas or Electives at Ottawa University. There may be additional JCCC courses that satisfy General Education, Elective or other degree requirements at Ottawa.**
