

The A.A. in Criminal Justice at JCCC partners well with the first two years of the Criminal Justice major at Park. It is highly recommended that students complete the Associates degree prior to transfer to Park whenever possible. If a student presents documentation of an A.A. degree **prior to the end of the first term of enrollment at Park**, the block method is used in evaluating the transfer of the 43-hour Liberal Education component. No transfer course with a grade equivalent less than “C” will be used to meet any Park University course requirement.

The major in Criminal Justice Administration at Park is designed to provide a comprehensive understanding of the complete criminal justice system within society in the United States. Park offers two choices: a Bachelor of Science and a Bachelor of Arts in Criminal Justice Administration.
