

The Associate of Arts degree (A.A.) at JCCC is a general transfer degree and partners well with the first two years of most bachelor degree programs. Students pursuing the A.A. may select courses that satisfy both the A.A. degree requirements and lower division requirements for a bachelor's degree at four-year institutions. The elective hours within the A.A. allow students to complete additional general education and lower division courses required for specific majors. The A.A. degree requires completion of 60 credit hours; please see [JCCC A.A. degree requirements](#). To be eligible for graduation from Wichita State University, students transferring from a two-year college must complete at least 60 credit hours of four-year college work and 45 credit hours of upper-division coursework. **Meeting with a JCCC counselor is strongly recommended for selection of appropriate courses.**

### **WSU Admission Requirements:**

If you are a transfer student with 24 credit hours or more, you must:

- Have a minimum 2.00 cumulative GPA (on a 4.00 scale) on all previous college work.

If you are a transfer student under age 21, with fewer than 24 credit hours, you must:

- Have a minimum 2.00 cumulative GPA (on a 4.00 scale) on all previous college work and meet the freshman requirements.

Some academic colleges at WSU have an additional higher transfer GPA requirement for admission. Visit <https://www.wichita.edu/admissions/undergraduate/transfertowsu/index.php>

### **WSU General Education Requirement:**

- Students transferring to WSU with an AA, AFA or AS degree from JCCC will be considered to have satisfied WSU's general education curriculum.
- Students who transfer to WSU without completing AA, AFA or AS degree will have courses evaluated on a course-by-course basis toward meeting WSU requirements.
- WSU's General Education guide can be found here:  
<https://www.jccc.edu/student-resources/transfer/files/transfer-guides/ws-gen-ed-requirements.pdf>
- WSU requires Specific General Education Requirements by College, click [here](#).

### **WSU Fairmount College of Liberal Arts and Sciences**

The Bachelor of Arts and Bachelor of Science degrees are conferred by Fairmount College of Liberal Arts and Sciences. Each baccalaureate degree requires the completion of a minimum of 120 credit hours, the attainment of an overall grade point average of 2.000 including transfer work, a grade point average of 2.000 in the major and minor fields of study, and a 2.000 WSU grade point average. Some majors may require a higher GPA.

*Bachelor of Arts* degrees are offered in anthropology, applied linguistics, biological sciences, chemistry, communication, creative writing, economics, English, geology, history, mathematics, modern and classical languages and literatures (French and Spanish), philosophy, physics, political science, psychology, social work, sociology and women's studies. Concentrations in communication sciences and disorders, ethnic studies, geography, German and religion may be designed with the Bachelor of Arts or the Bachelor of General Studies degrees.

*The Bachelor of Science* is available in biological sciences, chemistry, criminal justice, forensic sciences, homeland security, geology, mathematics and physics.

### **WSU Transfer Students Should Remember:**

- **WSU Transfer Policy – Credit Acceptance:** It is the policy of Wichita State University (WSU) to accept all credits – with the exception of remedial coursework – earned at a post- secondary institution accredited by one of the U.S. regional accrediting agencies. Each academic college or department within WSU determines how those credits apply toward a particular degree program. Sometimes there can be a significant difference between what transfers and what counts toward a degree, especially if the courses are vocational in nature.
- **Dual Advising:** WSU strongly suggests that potential transfer students involve their WSU advisor in program planning. Sign up for dual advising here: <https://www.wichita.edu/dualadvising>
- **Graduation Requirements:** To qualify for graduation with a WSU bachelor’s degree, transfer students must meet certain requirements such as course credit hours, levels, GPA, and residency. Transfer students should visit the following page to familiarize themselves with all requirements: <http://catalog.wichita.edu/undergraduate/academic-information/graduation/>

Fairmount College of Liberal Arts and Sciences requires their graduates to complete courses that fulfill the following competencies. General Education, major and elective courses may be used to complete the competencies. Courses that meet an LAS competency are identified with ^.

1. Written Communication
2. Textual Analysis
3. Oral Communication
4. Civic Responsibility
5. Cultural Literacy
6. World Language: Only required for Bachelor of Arts degrees and the Bachelor of Science degrees in Criminal Justice and Homeland Security.
7. Quantitative Literacy
8. Scientific Reasoning
9. Technological Literacy

**Program-Specific Requirements:** World Language Requirement: All Bachelor of Arts degrees and the Bachelor of Science degrees in Criminal Justice and Homeland Security require a world language through the intermediate level.

**COURSES TO BEGIN LIBERAL ARTS AND SCIENCES MAJORS** - In the first two years of college, the program may include one or two courses that begin the major. Students transferring 48 hours or more to LAS must declare a specific LAS major or degree preference during the first semester of enrollment. The best initial courses for LAS majors are listed below.

WSU Requirement	Hrs	JCCC Equivalent	Hrs
<b>Anthropology (BA)</b>

\* JCCC course has a prerequisite or corequisite.

+This course fulfills both General Education and program requirements simultaneously.

<sup>^</sup>General Education course approve by KBOR as a requirement for the degree program even if the student has already completed the General Education program.

(L) Course meets JCCC Lab Science requirement and carries the lab attribute for WSU.

**It is the STUDENT'S RESPONSIBILITY to check for updates to all transfer information. This transfer guide is provided as a service and is updated as needed. Degree requirements at the four-year colleges are subject to change by those institutions. To ensure you have the most accurate up to date information about the program, it is imperative you meet with an advisor at the transfer institution.**
